THE City Directory is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at classified list of those who sell do themselves a great injustice. The classified lists in the Business Directory form the best Buyers' Guide on earth. PREFACE

IN presenting to the public the **Richmond Borough Directory** for 1912, we hope that we have succeeded in producing as accurate a book of this description as is possible.

We have made a thorough and efficient house to house canvass of the borough and no one can appreciate, but by actual experience, the difficulties which constantly arise in procuring the information for a book of this kind.

We thank the public and our many patrons for the kind support they have extended to us.

Respectfully,
THE DIRECTORY COMPANY.
